## PROSPECTUS

### Welcome to SNGVB

An institution in the name of Sree Narayana Guru, the greatest Social reformer of Kerala and a Spiritual Leader. It is owned and run by Sree Narayana Guru Dharma Samajam, Bhilai.

SNGVB, is an English Medium Co- education Higher Secondary School located in the heart of steel city, Bhilai. Our education system focuses on individual capability and a holistic development of the child. Catering to students from Class-Nursery to Higher secondary School, SNGVB offers an excellent educational system that promotes the intellectual, physical, emotional, and social development of our students and unleashes their unique talents. To achieve this objective, we incorporate practices drawn from the most effective learning and teaching methodologies to help children attain wide-ranging skills and a range of core abilities. This forward-thinking perspective is shared with our sister branches SNG Vidya Bhavan Sec-07 and SNG Vidya Bhavan Khursipar.

We strive for our students to be culturally aware and encourage critical-thinking skill so that they may appreciate their individuality and fulfil their true potential.

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone's achievements are celebrated.

To provide holistic education and achieving academic excellence, enabling all round growth of the personality and inculcating the human values

### AIMS & OBJECTIVES

- Education for all for better tomorrow with cent percent literacy and enlightened citizen.
- To impart high quality education to meet the challenges.
- Value based Education with sense of responsibility and duty for National building.
- Personality and character development on the teaching of Sree Narayana Guru.

### OUR STRENGTH

- Well experienced, qualified and dedicated teaching staff.
- Systematic & well organized experienced Admn. Staff.
- Individual attention to students.
- Education through Modern teaching facilities and smart classes supported by "Library"
- High levels of family and community involvement.

## SCIENCE LABS

Science is one of the most vital subjects for every students from the beginning. Our school has huge well equipped Biology, Physics and Chemistry labs with modern amenities and quality specimens. Our labs are well equipped with the apparatus to cater to the needs of all the students. They are encouraged to use the facilities for enhancing their innovative and scientific skills.

## COMPUTER LABS

In this era of modern generation and Information technology we are completely dependent on the computer and internet. Everything now is at your fingertips. learning computer skills allow a child to become exposed to new ways of thinking, using both their creative and logical thought processes. In SNGVB, We have computer lab in the school with advanced infrastructure in terms of hardware and software with latest technologies that not only helps students to learn computers but also guide them how to utilize technology effectively to show the performance.

## LIBRARY

A School library is an important source of knowledge to young minds in schools. It develops the important habit of reading among the students. for this purpose a well- equipped and stocking library with different types of books, magazines, periodicals and newspapers are available. Every student is encouraged and inspired to go to the library during library periods as well as in free time. Apart from encyclopedias and reference books on all subjects, the content-rich library at SNGVB school has comics, story books and illustrated dictionaries as well, for over all development of young minds.
